You should retain a copy of our agent's/carrier's collection note.

- c)** Storage: Goods that are in your possession will be held by you as bailee. You must keep the goods separate and clearly identified as our property until you have paid for them.
- d)** Insurance: After delivery and until payment you must keep the goods fully insured. If the goods are lost, destroyed or damaged then you must hold the proceeds of the insurance for and to our order pending payment. If the goods are so destroyed you are not entitled to delay paying us until the insurer of the goods has paid you.
- e)** Recovery of goods: We may enter your premises without notice and recover the goods, which have not been paid for in full. As between you and us, this sub-clause constitutes your authority for us to enter on the premises of any other person holding the goods on your behalf and on whose property the goods may be and remove the goods.

If:

- a)** You fail to honour any of your obligations to us under this contract, or you breach them, or
- b)** Any distress or execution is levied on you, or
- c)** You offer to make an arrangement with your creditors or commit any act of bankruptcy or if any petition in bankruptcy is presented to you, or (if you are a listed company) any resolution or petition to wind up such a company's business (other than for purposes of amalgamation or reconstruction) is passed or presented we will have the immediate right to cancel in writing any contract we currently have with you without prejudice to any claim or right we might otherwise have.
